

BOU members,

Let me take just a quick minute of your time to fill you in on some great news.

A proposal has been made to the BOU Board by one of it's founding members, Shaun Graves.

As you have all probably all heard several times by now, Shaun was elected to fill the BOU President.

Seat when my term expires in July. Shaun approached the Board at our meeting and requested that all members be given the opportunity to vote on the group's Board positions. Under the current Bylaws, the seats on the BOU Board would be picked by the BOU Board members that are filling a current term.

The Board present at the last meeting agreed that this was a great idea and even though Shaun had, according to the bylaws, Been elected to fill the President Elect seat he felt that this new Bylaw change should apply to him as well.

In Order to accomplish this legally a Bylaw change will need to take place, this will happen in early March at the quarterly BOU Bowhunter meeting (Details to come on this meeting) and the Election will take place at the BOU Convention in June.

We will follow this process:

The Following seats are up for election.

--President

--Vice President

--Bowhunter Education Rep.

The following men have been nominated to fill these seats

President, Shaun Graves

Vice President, Michael (Finn) Anderson

Bowhunter Education Rep. Frank Taylor

If any members would be interested in running against or nominating any member to run against these men, I would have you please send me the names and contact information of these Members BY FEBRUARY 1ST. This will give all nominee's the opportunity To be introduced to our voting members through a newsletter, email and at the March Bowhunter Meeting.

Please send all nominations or intentions to take part in the election to gbell@lesolsoncompany.com

Or please call 801 597-4416

The long awaited BOU newsletter is complete and will be printed and mailed out early next week.

Thanks to all of you that submitted stories and photo's. Let me also apologize for the delay in getting this out to you.

Thanks

Gordy Bell
